

50 lb

Dairy Fortifier™ Plus Yeast

Dairy Fortifier Plus Yeast is a nutritional supplement to stimulate and improve the rumen bacterial flora for more efficient nutrient digestion.

Dairy Fortifier Plus Yeast provides a guaranteed level of live yeast culture. Yeast aids in improving the digestion of forage by raising rumen pH, increasing the number of bacteria responsible for cellulose breakdown, and improvement of overall diet digestibility.

- 1. Guaranteed live, viable yeast cells.**
- 2. Stimulates rumen fermentation.**
- 3. Provides vitamins A, D, & E.**
- 4. Additional source of selenium and zinc.**

Guaranteed Analysis
