

20 Lamb DQ45

Product Description

A complete pelleted lamb feed for creep feeding lambs. Kent 20 Lamb DQ45 is formulated to bring out the genetic potential of rapid gains in lambs.

Features and Benefits

Complete pelleted feed: Less waste; palatable.

20% protein-energy balance: Best rate of gain and results for meaty lambs.

Decoquinat (Deccox®): For the prevention of coccidiosis in sheep maintained in confinement.

Vitamin A: Healthier tissues, helps prevent secondary infections such as colds, pneumonia, etc.

Vitamin D: Aids in assimilation of minerals. Aids in prevention of swollen joints, staggering gait and rickets.

Vitamin E, Selenium (Sodium selenite): Vitamin E and Selenium work together to help prevent White Muscle (stiff lamb) disease.

Ammonium chloride: Helps prevent urinary calculi.

No added copper: Helps to prevent copper toxicity.

Sodium molybdate: A trace mineral that is interrelated with the activity of copper which reduces the risk of copper toxicity.

Feeding Directions

Feed Kent 20 Lamb DQ45 beginning at 10 days of age in the creep to 70-75 pounds body weight. To stimulate appetite feed 1/2 pound of hay every other day.

For prevention of coccidiosis in lambs feed Kent 20 Lamb DQ45 at the rate of 0.1 lb per 10 pounds body weight to provide 22.7 mg of

20 Lamb DQ45 Medicated

A complete feed for starting and growing lambs.

For the prevention of coccidiosis in young sheep caused by *Eimeria bakuensis*, *Eimeria crandallis*, *Eimeria ovinoidalis*, and *Eimeria parva*.

ACTIVE DRUG INGREDIENT

Decoquinat 45.4 g/ton

GUARANTEED ANALYSIS

Crude Protein, min. **20.0%**
This includes not more than 1.3% equivalent crude protein from non-protein nitrogen. (NPN from Ammonium Chloride.)

Crude Fat, min. **2.5%**

Crude Fiber, max. **8.0%**

Calcium (Ca), min. **0.6%**

Calcium (Ca), max. **1.1%**

Phosphorus (P), min. **0.4%**

Salt (NaCl), min. **0.6%**

Salt (NaCl), max. **1.1%**

Selenium (Se), min. **0.3 ppm**

Vitamin A, min. **3,000 IU/lb**

Vitamin D₃, min. **300 IU/lb**

Vitamin E, min. **30 IU/lb**
