

16% Goat Finisher

Product Description

A complete pelleted feed for finishing goats.

Features and *Benefits*

Complete pelleted feed: **Less waste and more palatable.**

16% protein-energy balance: **Best for rate of gain, feed efficiency, and meaty goats.**

Vitamin A: **Healthier tissues. Helps prevent secondary infections.**

Vitamin D: **Aids in assimilation of minerals. Aids in prevention of swollen joints, staggering gait, and rickets.**

Vitamin E, Selenium (Sodium selenite): **Vitamin E and Selenium work together to help prevent White Muscle disease and improve immune function.**

Ammonium chloride: **Helps prevent urinary calculi.**

Feeding Directions

Feed 16% Goat Finisher as the sole diet to finishing goats. If goats are not accustomed to feed, work them up gradually to a full feed before free choicing 16% Goat Finisher.

Warning: Do not feed to sheep.

16% Goat Finisher

A complete feed for finishing goats.
